

Institutional Readiness Self-Assessment

Implementing AI Across the Institution · Dr. Kollin Napier, Chief Artificial Intelligence Officer, MAIN

Name: _____ Institution: _____ Date: _____

Rate your institution on each dimension using a 1 to 5 scale (1 = not ready, 5 = fully ready). Use the notes column for evidence or examples. If you completed the EDUCAUSE and AWS readiness assessment beforehand, draw on it here.

Readiness dimension	Rating (1-5)	Notes and evidence
Leadership and strategy		
Culture and trust in AI		
Workforce capacity and skills		
Technology infrastructure and data		
Funding and resources		
Governance, policy, and responsible use		
Change management capacity		

Summary

Top strength to build on	
Top constraint to address
