

One-Page Campus Implementation Plan

Implementing AI Across the Institution · Dr. Kollin Napier, Chief Artificial Intelligence Officer, MAIN

Name: _____ Institution: _____ Date: _____

Use this page to capture your plan during the session. Each row maps to one of the session outcomes. Keep it short; this is the one page you carry back to campus.

Priority AI use case (function or area)	
The opportunity: what it would do	
Why it is high value in the next 12 months	
Top readiness strength to build on	
Top readiness constraint to address	
Essential stakeholder group(s)	
Engagement or capacity-building step	
Near-term action steps (next 90 days)	
Resources required and funding source	
Responsible-use practice to apply	
How I will measure progress	
Scaling or next step beyond this term
